2018 Performance Criteria Measures

Member Value Creation

- Recognition for Member Value Creation will require member units to spend a minimum 70% of total annual revenues on activities identified as adding value to members.

Member Retention

- Recognition for Member Retention will require year-over-year improvement in the number of renewing members within your section or division.

Member Growth

- Recognition for Member Growth will require year-over-year improvement in new member growth within your section or division.
